You asked and we listened.

Need some uninterrupted time to plan for high school or work on your transcripts along with enjoying the companionship of other homeschool moms needing the same? If you have already been to a high school seminar, then now is the time to apply what you learned. Bring you favorite high school curriculum to share with everyone, laptop and transcripts to work on, and plans for scheduling out the rest of your teen's high school years.

Bring your lunch, and FHE will provide bottled water, chocolate, and handouts for you.

This event is free for FHE members; \$5 donation for non-FHE members.
