*****Please note that the inclusion of any activity, organization, supplier, service, company, etc. does not constitute endorsement by Families for Home Education. Each family should do their own due diligence to decide for themselves which, if any, of the activities, organizations, suppliers, services, companies, etc. are appropriate for their own family. The resources FHE references are not exhaustive. There are many more resources available for Missouri home educators which FHE may not be aware of.*****
