Happy Holidays from Families for Home Education

Welcome to our first monthly Member's Only News Flash. We want to let you know about things that are happening via short spurts, but will continue to provide our information packed bulletins at least twice per year. Look for that email in January.

The Legislative 2024 Session is upon us.

Friday, December 1, 2023, was the first day for the Missouri state representatives and senators to pre-file bills. They will be pre-filing bills up until the first day of the 2024 session which will begin on January 3, 2024.

There are several bills FHE will be watching closely this session. As of today, the bills that have been pre-filed have only been given a number and a title. The actual bill has not been posted on the House and Senate websites. As soon as the bills become available, we will be reading them and posting the ones we will be watching on our "Capitol Report" webpage, <https://fhe-mo.org/capitolreport>.

We will try to update the page weekly unless there are urgent issues needing attention. Thank you for your support of our efforts to protect our Missouri
