School Year/Grade:

# PLANNER

*Here's to a great start to the homeschool year!!*

Families for Home Education (FHE), Missouri's oldest and largest statewide homeschool organization, has designed this Homeschool Planner for your school year based on our **MO Revised Statutes 167.012 and 167.031**. We have included many useful forms for your records that will help you comply with our state law. Although this planner is copyrighted, our members are free to either print the sheets that you want to use (you are NOT required to use them all) or send a pdf file to your local printer to have it printed and bound for easy use.

## WHAT'S INSIDE

**Goals & Notes**

**Daily Schedule and Curriculum**

**Accomplishments & Activities**

**Thinking Outside the Box**

**Schedule of Home School Events**

**Books Read**

**Evaluations**

**52 Week Planner Pages**

**12 Month Daily Hourly Logs**

**Yearly Hour Totals Chart**

**High School Hours Chart for Credits**

### Records:

- a. A plan book, diary, or other written record indicating subjects taught and activities engaged in; and
- b. A portfolio of samples of the child's academic work; and
- c. A record of evaluations of the child's academic progress; or
- d. Other written, or credible evidence equivalent to subparagraphs a., b. and c.; (D has not been defined in court, so it's recommended to just do the other 3 since we have 30+ year of experience in the courts with those and it must be equivalent to them anyway.)

Daily log of hours (usually a spreadsheet)

1000 total hours between July 1-June 30; minimum of 600 of those hours need to be in the following subjects: reading, language arts, math, science, social studies, **OR** academic courses that are related to such subject areas. At least 400 of the 600 hours need to be in the regular home school location. The remaining 400 (1000-600) can be whatever you want: all core, all non-core, or any combination.

# ACCOMPLISHMENTS & ACTIVITIES

## THINGS TO ACCOMPLISH

---

---

---

---

---

---

---

---

## FUN ACTIVITY IDEAS

---

---

---

---

---

---

---

---

## Thinking Outside the Box:

Here are the **FIVE** main subjects plus two non-core subjects and the subtopics that fall under their umbrellas. You choose what you put under Reading and Language Arts, but they are two different subjects in our Missouri law. The lists are not exhaustive. However, it can help to kick start your ideas of how to log activities and lessons by knowing the general area an activity falls under.

### LANGUAGE ARTS & READING:

communicating through language - spoken, read and written; and in the case of the deaf, seen

Listening, Reading, Speaking, and Writing-Alphabet -  
Phonics - Parts of Speech - Rhyming - Sentence Structure -  
Penmanship/Handwriting - Punctuation - Literature (and comparing with movie) - Comprehension - Capitalization -  
Composition - Speech (public speaking) - Debate -  
Vocabulary - Proofreading/Editing - Spelling - Grammar -  
Root Words - Reference Skills (ABC order, dictionary, thesaurus, library...) - Word Study (synonyms, antonyms, homonyms...)

### MATH:

This really has too many subsets to list, but math is math  
-Numbers - Algebra - Geometry -  
Mathematical Change (add, subtract, multiply, divide...) -  
Patterns - Counting - Calculation -  
Measurement - Shapes - Fractions -  
Problem Solving - Critical Thinking

### SCIENCE:

observing the world by watching, listening, and recording.  
Two Main branches: the study of living and non-living things.

Physical Science = Non-Living Things - Chemistry - Physics -  
Mechanics - Kinetics - Engineering  
Earth Science = Astronomy - Geology - Hydrology -  
Meteorology - Oceanography - Seismology - Soil Science -  
Volcanology  
Life Science = Living Things - Biology - Zoology - Botany -  
Agriculture - Anatomy - Microbiology - Marine Biology

### SOCIAL STUDIES:

study of relationships between one and the world and functioning in society

\*In elementary stages, the purpose of social studies is to understand, participate in, and make informed decisions about the world -  
Community - History - Geography -  
Sociology - Government - Civics -  
Economics - Psychology -  
Anthropology - Politics - Law

### FINE ARTS:

communicating through things such as painting, drawing, sculpting, dancing, music, graphic design, etc. Fine arts are not 'core'; they are not one of the five basics and cannot be counted in the 600-hour count unless they are used to supplement the core subject. They can be counted under non-core.

### PRACTICAL ARTS:

skills needed for living out in the world and can possibly result in a vocation. These hours are also non-core, but can include cooking, sewing, computer repair/skills, wood working, construction, interior design, home/car maintenance, introduction to business/marketing, etc.

### DON'T FORGET:

movies, documentaries, historical fiction, games, Legos/Minecraft, field trips, other activities that supplement your lessons

### OTHER NON-CORE:

life skills, PE, foreign languages, religion
